PRESS RELEASE

MINISTRY OF HEALTH CONFIRMS TWO NEW CASES OF EBOLA

25th May 2026- The Ministry of Health wishes to update the public that two new cases of Ebola Virus Disease (EVD) have been confirmed in the country.

The two new confirmed cases are Ugandan health workers working in a private health facility in Kampala. Both patients have been admitted to the designated treatment unit and are now receiving care. All contacts linked to the confirmed cases are being listed for follow up by response teams.

Members of the public are advised to immediately report anyone presenting symptoms consistent with Ebola Virus Disease to the nearest health facility. Early detection and treatment greatly improve chances of survival and help prevent further spread of the disease.
